

## ***Volunteer Position Machine Operator***

---

**OBJECTIVES:** The primary responsibility of a machine operator volunteer is to work closely with the Disaster Relief Coordinator to complete earth moving tasks using small excavators and skip loaders while making sure the work is done properly and safely.

**RESPONSIBILITIES:**

- Review weekly construction goals with the Disaster Relief Coordinator
- Put in requests for the proper equipment needed for each job
- Ensure that proper safety is followed at all times

**REPORTS TO:** Disaster Relief Coordinator, Liz Beebe

**REQUIRED SKILLS**

- \*\*Certificate in machine operation required
- Ability to navigate an active construction site
- Ability to lift more than 50lbs

**BENEFITS TO VOLUNTEER:**

- Appreciation!
- Being part of the Habitat for Humanity of Southern Santa Barbara County mission to build strength, stability and self-reliance through shelter.
- Opportunity to interact with a variety of different people.

**VOLUNTEER SCHEDULE**

- As needed

**TRAINING PROVIDED**

- On-site training is provided and consists of an orientation with the Volunteer Coordinator, review of the Volunteer Manual, safety training and hands-on training by Disaster Relief Coordinator. On-going supervision and training will be provided as needed.
